WARRANTY

These products have a warranty for a period of 5 years from the date of purchase. The warranty is invalid in the case of improper installation, tampering, or removal of the Q.C. date label. Installation in an improper working environment or installation not according to the current edition of the National Electric Code also invalidates the warranty. Should these products fail during the warranty period, they will be replaced free of charge, subject to correct installation and return of the faulty units. James® does not accept responsibility for any installation costs associated with the replacement of these products. This warranty is in addition to the statutory rights in the country of purchase. James® reserves the right to alter specifications without prior notice.
